

## PAST LEADERS

---

In 1986 and 1987 "Leadership South Brevard" was sponsored by the Greater South Brevard Area Chamber, while the Cocoa Beach Area Chamber, Titusville Area Chamber and Palm Bay Area Chamber participated to produce "Leadership Brevard". Four graduating classes resulted in those first two years and the Leadership Brevard Alumni body was formed. In 1988, all four chambers collaborated and presented a countywide "Leadership Brevard" program.

In 1990, through mergers and reorganization, Leadership Brevard committees (program, alumni, and youth) came together under a board of directors administered through the Brevard Council of Chambers and named "Leadership Brevard". In May 1993, Leadership Brevard, Inc. received its designation as a 501(c)(3) not-for-profit educational organization from IRS. This corporation is commonly called "Leadership Brevard".

Founding Executive Director Jenny L. Atkinson served in that capacity from the programs' inception until June 2000. With a team of two part-time Project Coordinators, current Executive Director Kristin L. Bakke, CAE was named June 16, 2000.
